

Tell Me No Lies

What her husband doesn't know could destroy them all. Dan Logan thinks he's got it all: a great job as a D.A., the ideal marriage and two wonderful children. Now he's been nominated Citizen of the Year. Seems his rigid pursuit of honesty and integrity has paid off. He has no idea that his picture-perfect life is about to be shattered. A man from Tessa Logan's sordid past has tracked her down and is intent on getting her back. If he can't have her, he won't hesitate to expose her past mistakes. One way or another, her secrets will be revealed. Even if Dan can live with the terrible truth, can he survive Tessa's deceit?
