

Ten Days in Tuscany (Men of the Zodiac)

Sign: Cancer Home is where this guy's heart is. And bed is where you'll find him... Gia Carelli waits tables in her small Tuscan village, dreaming of a life in which her overbearing family allows her to move to Florence to pursue art. Everyone expects her to marry a nice local boy and raise a horde of bambini, but when a gorgeous, wealthy stranger visits, Gia wonders if maybe her stars are about to change. Nic Baldini has returned to his Tuscan Villa for a much-needed break from the responsibilities of his powerful family. Struck by local artist Gia Carelli's raw talent and passion, he finds himself wanting to help her...and lies about his identity in order to gain her trust. But as their patron-protegee relationship is quickly eclipsed by desire, Nic realizes that one tiny lie could cost him the woman he's falling for.
