

The Clever Hen

Ms. Cleever is smart, clever, and loves to read. But that's not all! She is impatient, rude, and impolite to all her fellow hens in the coop when they need her help. What's worse, Ms. Cleever always wakes up on the wrong side of her nest in a grouchy, cranky, grumpy mood enough to cast a dark cloud over the farm. In fact, she is determined to share her misery with all the farm animals as she mocks, scorns, and ridicules them. But wait! One morning, Ms. Cleever discovers a shocking surprise and gets a dose of her own medicine. Will her fellow hens help her in her time of need? Find out in this charming picture book that compliments the delightful tale of a hen who believes holds perfection in the coop. Will she learn the ultimately rewarding feeling that comes with saying, I'm sorry? Other books by Saragine François can be found at www.saragine.com
