

## The Best Friend Bargain (Kisses in the Sand)

Olivia Lincoln has a plan guaranteed to get her life back on track. A plan that involves her best friend, Danny. And hes on board, too until she blurts out that theyre engaged and expecting a baby, and the news spreads like wildfire. The problem? Danny doesnt do marriage. Or family. And everyone knows it, including Olivia. As irritated as he might be, protecting Olivia is what Danny does. But put best friends under one roof, add house rules begging to be broken, accidental nakedness, and pancakes in bed, and what started as a marriage between friends threatens to turn into the real deal which would ruin everything.
