

Attic Clowns: Volume One

This creepy collection features four twisted tales by Bram Stoker Award nominee Jeremy C. Shipp. The stories include: Giggles Princess Dont Laugh The Glass Box Praise for Jeremy C. Shipp: Shipp's boldness, daring, originality, and sheer smarts make him one of the most vital younger writers who have colonized horror literature in the past decade. Peter Straub, author of Ghost Story Im convinced Jeremy Shipp is a little bit crazy, in the best possible way. This is one of those books that alters your brain in a way similar to Philip K. Dick. Jeff VanderMeer, author of City of Saints & Madmen and Shriek: An Afterword Shipp's clear, insistent voice pulls you down into the rabbit hole and doesn't let go. --Jack Ketchum, author of The Girl Next Door Jeremy Shipp is a very good drug. I hope this book gets banned in high schools soon! John Skipp, author of The Emerald Burrito of Oz Jeremy's impressive stories are as intelligent, entertaining, and moving as they are strange. Read him now. Carlton Mellick III, author of The Egg Man
