

The Community: Stigmata Book 3

The third book in this exciting vampire series will find Thea caught in a battle of black magic brought on by a man determined to hunt down and kill as many vampires as he can. Now he has come to Pellman, and he knows about Edric. Will the Community survive this new attack? Can Thea come to terms with her new life and the impact it may have on her soul and its eternal life. Is she too lost in the world of vampires to be saved? 23 years ago the vampiress Molly made a grave mistake, and now it has returned to hunt those within the Community. Thea has had a crisis of faith now that she has fallen in love with a vampire. Years have passed since she has stepped foot in Gods house. Is there still hope for her soul? Is the new priest really what he seems? Or is he hiding behind the church in order to cover his own dark secret? He knows Thea is connected to the vampires, but when his dark curse fails to bring Thea to him, he enlists the help of a young man who battles a violent darkness of his own. Will Thea survive her abduction? Can Edric find her before it is too late? He will need to reach back into his past to once again unlock the secrets of magic, if they all hope to survive the battle to come.
