

The Man She Should Have Married (The Crandall Lake Chronicles)

TESTING THOSE FAMILY TIES Marrying into the elite Britton family had been hard for Olivia. Becoming a widow and raising her daughter alone had been tougher. Or so she thought. Her mother-in-law wanted custody of little Thea, and Olivia was desperate for help. But her best option was another Britton, the devastatingly charming Matt the man she should have married. Matt had vowed to look after Olivia and be a father figure to Thea while remaining loyal to the brother he had lost. With Olivia needing him more than ever he knew the time had come to tell her exactly how he felt. Admitting his true feelings for Olivia could tear his family apart yet it might also be the start of a new family for them both.
