

## The Invited: Book 1 of The Invited Series

All Cara Sumptin wanted was a normal life, an escape from the crazy life she had always known. What she got instead was thrust back into her chaotic world, bringing her new friends along for the ride. Thinking she had escaped that world Cara was happy but having to go back to it was more than she could deal with. Now she would have to not only have to go back into that world but she could have to try and save her friends from the nightmare world she had always known.
