

Promises to Keep (A Dandelion Romantic Mystery) (Volume 2)

Dandelion Police Sergeant Nina Markov has never been happier since meeting FBI Special Agent Michael Hanson. However, a fairy tale ending for the pair doesn't seem to be in the cards, as time is running out in her quest to find Russian mobster, Pavel Ivanovich the man who has stolen a priceless family heirloom. When Nina's carefully laid trap for him catches his underling instead, she realizes that her only chance is to make him fall in love with her and then use him to reach Pavel. For a recipe this convoluted, Nina is going to need the assistance of cupcake baker and misguided matchmaker, Pearl Waterman. In the second book of the Dandelion Romantic Mystery series, Nina has to decide how far she'll go to keep her promises, retrieve the last connection to her family, and try not to lose the only man she's ever loved in the process.
