

## The First Year of the League of Nations: With the Covenant of the League of Nations in an Appendix (Classic Reprint)

Excerpt from The First Year of the League of Nations: With the Covenant of the League of Nations in an Appendix Even if this first edifice, which so many States have helped to build, were destined to collapse - an impossible hypothesis which I must apologize for advancing - the foundations would still remain and the very ruins would cry aloud, and would summon new workmen to the task of rebuilding. - President Motta of Switzerland at the meeting of the Assembly on the opening day. I ask for patience and not for scepticism. - M. Leon Bourgeois of the French Delegation at the meeting of the Assembly on the closing day.
