

The Girl Before Eve

Unrequited love is the biggest heartache Lily and Adam have been best friends since the dawn of time. Well, the dawn of their time. Okaysince primary school actually. Everyone accepted them as best friends. Until one day, aged 18, Lily made a fateful discovery. She was head over heels in love. With Adam. Her unrequited feelings are hard to deal with initially but become even harder when Lily inadvertently introduces him to the love of his life. It all started as a bit of a joke thanks to the other womans name. Eve. Many years later and Adam is once again single and heartbroken and Lily is there to help him pick up the pieces. Her methods are sometimes a little unorthodox and lead to ridiculous consequences. Can Lily help Adam move on and find happiness again? And can either of the friends recover from losing the love of their lives? Sometimes the one thing you want is way out of reach.
