

## The Good News About Hard Times: James:Pauls Life-Coach and Ours

James, our life coach. James, the brother of Jesus, was not a believer until after the Resurrection. Then his whole life changed. He was made the leader of the early church. We often think of the great apostle Paul as the greatest leader in the early church, but whose counsel did Paul seek when he had to make a crucial decision three times? Was it not James whose counsel he sought? James was Pauls life coach, and by reading and studying the sacred and inspired writings of James, he can then can become our life coach.
