

Like Honey

You may never think of exotic foods in the same way again. --Joan Chandler
Wanted: A Hot Honey of a Man Love brought Jennifer DAMICO to Scotland, but its honey that makes her stay. Her honey farm is all the beautiful widow has left of her brief marriage. All she needs is a master beekeeper to get the flailing business back on track. What she gets is Grayson McGhilly, a boldly sexy stranger who knows his honey--almost as well as he knows how to bring Jennifer to the brink of passion. . . .From the moment Gray lays eyes on Jennifer, hes hooked, mind and body. But his mission isnt just to savor every succulent inch of her, but to keep her from harm. For Gray isnt just a beekeeper, but an undercover agent investigating criminal activity at her farm. And now hell do just about anything to keep the sweet and oh-so-satisfying Jennifer safe in his arms. . . .
