

The Last Man in Texas

The Malloy Men: Texas Men, Texas Ways
Cameron Malloy is handsome, successful and single But Elizabeth wouldnt have him if he were the last bachelor in Texas. It doesnt matter that shes loved her boss for yearshe takes her for granted. If shes ever going to have a family, nows the time to move on. Of course, that doesnt stop Elizabeth from asking Cameron to help her find Mr. Right. Who better to tell her exactly what men are looking for than a serial monogamist like Cameron? And if, along the way, he starts to realize hed like to apply for the position, theres nothing wrong with that. In fact, it just might have been Elizabeths plan from the start
