ONE OF THE GOOD GUYS? Dark, dangerous and nursing a bullet wound, Quinn Loudon didnt look like an assistant U.S. attorney nor did he act like one. In fact, hed kidnapped Constance Adams at gunpoint. Yet instead of fearing for her life, she found herself falling under his spell. Fresh from Washington, D.C., Quinn had fast learned things were different here in the Wild West. Now a fugitive from the very law hed sworn to uphold, he knew he had to clear his name and convince this woman to share it before his time ran out.
