

## A Long, Winding Journey

This is the story of how the author, who spent decades arguing and debating against Christianity, was led to Christ. However, it is not a feel-good, tickle-your-ear type of book. While the author emphatically believes and points out that there is hope for even the most hardened of atheists to come to understand and accept the truths of the Bible, he also very bluntly points out how things look through the eyes of a latecomer to faith. He pulls no punches when it comes to bullhorn style evangelism and other unskillful behavior that does more to drive people away than it does to lead people to Christ. You will learn what it is like to search for a church home when you look nothing like anyone else in the churches as the author rides motorcycles, is tattooed, and sports a shaved head during summer months. Learn the lasting damage that is done to a child via indoctrination into a very legalistic, skewed version of Christianity. The negative impacts that the idea that God is angry with you on a personal level are devastating. Ronald deals with this even today. The effects have been severe major depressive disorder with accompanying anxiety and OCD. Learn how the depression can and does affect faith and ones view of God. Ronald relates both the best and worst things done in attempts to help him in the hopes that others suffering similarly or their loved ones may be benefited. After decades of resistance to faith, one man took the time to see through Ronalds anger and hurt and ultimately helped lead him to faith in Christ. There is much to be learned from this mans approach to Ronald. Read for yourself how a clinically depressed mind is different from a non-depressed mind and how that affects spirituality. Learn what to say, and perhaps more importantly, what not to say to a depressed individual. Especially if you are trying to show them the love of God. Although the book is short, there is very useful information

within its pages for helping others, especially the angry and depressed, to see how much God truly loves them.
