

## The Maddening Model (Hazards, Inc.)

Hazardous Duty Mountain guide Simon Hazard couldn't believe Sunday Harrington was his latest client. She'd probably never hiked one day of her privileged life! But it was Simon who had sweaty palms and palpitations. And they had nothing to do with roughing it in the jungle, and everything to do with Sunday's long, long legs. Dangerous Curves Sunday wasn't about to give Simon the satisfaction of proving she was all body and no brains. Men like him were all alike uncivilized and very dangerous. And if she wasn't careful, they'd wind up exploring a lot more than their lush little paradise!
