

## Bellas Magic Dream Glasses

Like most seven-year-old kids, Bella hated going to bed. With so many fun games to play and exciting places to go, it seemed silly to spend so many hours of the day lying in bed sleeping. She would spend most nights tossing and turning, counting the minutes until the sun would rise so she could once again play outside with her friends. But one night, after her daddy read her an amazing story of pirates sailing the high seas, Bellas feelings about sleeping changed forever. That was the first night that Bellas daddy shared with her Magic Dream Glasses.
