

## BUT GOD: FINDING GODS WISDOM IN EVERYDAY LIFE

Influenced by a sermon many years ago, Pat Stonestreet has learned to look at her life through the words But GOD. With the knowledge that He alone has authored her life story with the usual mixture of joy and sorrow, success and failure, good times and bad, she testifies to how simple daily life has drawn her closer and closer to GOD. Pat, in turn, invites you to use the lens of But GOD thinking to discover a new way of viewing how God might be working in your own daily life to bring you to a closer relationship with Him. Foreword by John Stonestreet, a speaker and writer for Summit Ministries and the Colson Center for Christian Worldview and the voice of The Point, a daily radio feature on faith, culture, and worldview.
