

The Oak Tree that Grew on a Rock: The Life Story and Ministry of Prophet Gerbole

An amazing book! I could hardly lay it down. It moves from marvel to marvel. The book of Acts is happening today much like it happened 2,000 years ago. The book reveals a world of miracles and the powerful working of the Holy Spirit. Its radical departure from the modern enlightenment world view where no miracles happen is refreshing! -David W. Shenk, consultant, Christian/Muslim Relations This book is powerful because it presents the faith and life of a human being who gave his life completely to Jesus and lives like that . . . a marvelous story and a precious addition to the stories of men and women of faith whose lives tug at our deepest feelings, pulling us ever onward in our own walk with the Lord. -Donald R. Jacobs, Missiologist Once or twice in a generation, a man or woman appears with such childlike faith, profound union with God that through their testimony we fall on our faces . . . crying, The Lord, he is God! . . . not many of us have walked that path of obedient, living faith so simply, deeply, and persistently as Gerbole. . . -Richard Showalter in the Foreword
