

Anyush

On the Black Sea coast, Anyush Charcoudian dances at her friends wedding, dreaming of a life beyond her small Armenian village. Defying tradition, she embarks on a secret and dangerous affair with a Turkish officer, Captain Jahan Orfalea. As the First World War rages, the Armenian people are branded enemies of the state, and atrocities grow day by day. Torn apart and catapulted into a struggle to survive in the face of persecution and hatred, the lovers strive desperately to be reunited.
