Mystery: The Seven Sins Of Man, Part 2: The Hand Of Doom (A Suspense thriller, Conspiracy Theory): (Murder Mystery, Drama,Suspense,Thriller Mystery Book #2)

The Seven Sins Of Man, Part 2: The Hand Of Doom After barely escaping death at the hands of a rogue CIA agent, waitress and former Army Ranger, April Jenkins, and Nobel prize winning economist, Milton January, are now running for their lives through the deserts of the American southwest. They are wounded and battered, but for the time being, they are safe, and hoping beyond hope that the Seven will simply stop their search for them. But the Seven never stops, and as long as April and January live, theyll do everything in their power to bring their lives to an end. Unbeknownst to April and Dr. January, the villainous conglomeration has set into motion a threat unlike any they have ever faced, a master assassin known only as #154. The assassin is a member of a ruthless order of killers who live only to serve the Seven, and #154 is the most ruthless of them. She knows no mercy, and nothing will stop her from bringing April and Dr. Januarys lives to an abrupt and painful end.
