

Sacred Name Bible, Updated King James Version, New Testament

Jesus Hebrew Name is pronounced Yeshua. This is Jesus Sacred Name. It means He saves. It comes from the word salvation. Salvation is yeshuah which is pronounced exactly the same as Jesus Name, Yeshua. Therefore every time anyone reads the word salvation in Hebrew, they are saying Jesus Name. To bring this fact to life, this version of the Bible, the Sacred Name Bible, uses Yeshua in Hebrew letters in place of Jesus and the Hebrew letters for yeshuah (salvation) in place of salvation. It helps the reader see how many times Jesus Name is in the Hebrew Scriptures. The Light Of The World There is something marvelous about Jesus Hebrew Name, Yeshua. When written in the Biblical Hebrew script one can see seven flames at the top of the letters. If you place a picture of a Menorah over the letters those seven flames will stand atop the seven branches of the Menorah, exemplifying the awesome fact that Yeshua is the Light of the world! This is no accident! This shows just one aspect of the beauty of the Hebrew language which God chose to use for most of the Scripture. So it is out of reverence and because of the beauty that this Sacred Name Bible version uses Jesus original, Hebrew Name in Hebrew letters. Explanation of the Updated King James Version The words thee, thou, and thine, etc., are replaced with you and your, etc. Verb endings, such as est and eth, as in blesseth and comest, are replaced with currently correct grammar. A few outdated words, such as asses are replaced with today's words, donkeys in this case. Christ is replaced with Messiah because that is what Christ means in Greek. Otherwise the original King James Version text is not altered.
