

The Legend and the Laird

Her need for revenge outweighs her duty to her betrothed and his clan. Raven McDraoigh and her mentor have been riding through the Scottish highlands for several years, searching for clues to the man responsible for her mothers murder and the massacre of her clan. When she runs out of places to search, she can only turn to her betrothed, Jamie McKay, laird of Clan McKay. But Jamie has other ideas in mind. For the last ten years, Jamie believed his wife was dead, murdered along with her mother and clan. Imagine his surprise when she turns up on his doorstep. A battle of wits is about to take place. Jamie wants a wife, a partner to lead his clan. She wont give in until shes fulfilled her vow. When the McDraoigh Legend stands against the Laird of Clan McKay, theres sure to be fireworks.
