

The Special Prisoner

John Quincy Watson was a young bomber pilot flying the new B-29 Superfortress in a mission over Japan when he was shot down and taken prisoner. Designated a special prisoner, as were all Allied airmen, he, along with his comrades, suffered and almost indescribably brutal POW experience under a vicious camp commandant that Watson, with his friends, dubs the the Hyena. When a chance encounter years after the war brings Watson, now Bishop Watson, into contact with a man he believes to be the Hyena, the Bishop must struggle with an anger and a desire for vengeance he thought he had long put aside. The Special Prisoner is a taut and dramatic novel.
