

The Spiti Saga: Encounters with Himalayan Monks, Gods and Prophecies

Surely the Gods live here this is no place for men! Rudyard Kipling, on Spiti Journalist Maddie McNamara had never heard of Spiti until her younger brother Tim disappeared into its rugged terrain deep in the Tibetan Himalayas. On an urgent search, she meets astrologer Kurt Weiss, a man with a mysterious past and a pressing agenda of his own: to decode his disturbing apocalyptic dreams using Spiti's millennium-old Buddhist temples. When catastrophe strikes, the two confront brutal elements of nature and find themselves drawn into a fierce duel between primal forces of good and evil that tests their endurance and everything they believe about themselves.
