

# The Surprising Adventures of the Magical Monarch of Mo and His People

I dare say there are several questions you would like to ask at the very beginning of this history. First: Who is the Monarch of Mo? And why is he called the Magical Monarch? And where is Mo, anyhow? And why have you never heard of it before? And can it be reached by a railroad or a trolley-car, or must one walk all the way?

These questions I realize should be answered before we (that we means you and the book) can settle down for a comfortable reading of all the wonders and astonishing adventures I shall endeavor faithfully to relate.
