

Headed for Trouble (McKays Series)

SHE'S A SMALL-TOWN GIRL WITH BIG DREAMS. Nine years ago, Neve McKay fled her small Southern town and disapproving family to seek a career in the big city. Now she's finally coming home-and hoping for a fresh start. But the relationship that shattered her world still haunts her. And even among her nearest and dearest, she doesn't feel safe. . . CAN THIS BAD BOY BE THE ANSWER TO HER PRAYERS? Ian Campbell is a pure Scottish muscle-as hard and handsome as they come. But when Neve walks into his bar, his heart melts. . .and he vows to have this gorgeous and somewhat vulnerable woman in his life-for better or for worse. What is Neve's tragic secret? And how can Neve expect Ian to protect her, when doing so could put his own life at risk? The only thing Ian knows for sure is that he will do whatever it takes to keep her out of harm's way-and in his loving arms. . .in *Headed for Trouble* by Shiloh Walker. Shiloh Walker's writing just gets better and better...[and] the sex is sizzling. -RT Book Reviews
