If you cant beat emseduce em. A Rancho del Cielo Romance Amanda Jackmans love life is the stuff dreams are made of...which is fitting, because its all in her head. Thanks to six oversized, overbearing brothers who treat her like the family jewel, shes lived in a padded little box. Determined to get a life before she needs a padded little cell, she sets out to throw off the yoke and live on her own terms. Except she seriously underestimates the lengths to which her brothers will go to keep her safe and sound. Cole Engstroms life might just be at an end. Cornered by all six of the massive Jackmansmen he normally considers his friendshe learns hes their choice to marry their sister...or else. Make that first choice, but not the last. Rather than watch Amandas brothers club their way through potential mates, Cole figures its best to just play along for a while and buy her some time to find a man of her own. Its a good plan. Until Amanda figures it outand decides hes the one to relieve her of her sheltered little virgin status. One seduction at a time... Warning: This sexy romp of a book contains a virgin, a man and a plan. Game. On.
