

Betrayal for Eternity

We all have secrets to bare. Some remembered, some not. Many are dark and mysterious, even heinous and fearsome. Others are just so sorrowful we close them out, trying to forget them. For fledgling FBI profiler Karla Johansen it is the latter. The accident that killed her mother and little sister has haunted her dreams for years. Now she has another just as real. Vincent. Sent home to Baraboo, Wisconsin, to recover from Vincent's latest attempt on her life, Karla must resolve her past before she can unravel Vincent's. Yet in doing so, she discovers a terrible secret buried in her hometown's past. The missing are not missing and who is Captain Jack?
