

## Theseus Discovers His Heir (The Kalliakis Crown)

THE PRINCES SECRET LOVE CHILD! Shocking news has rocked the Mediterranean Principality of Agon. Prince Theseus second in line to the throne is rumored to have fathered a secret love child. Reports surfaced the moment stunning royal biographer Joanne Brooks was hired to memorialize King Astraeus's reign. It seems she's brought more than pens and paper! Witnesses suggest that five years ago, our onetime bad boy prince traveled the world in disguise as engineer Theo Petakis and met Joanne. This reporter wants to know how Ms. Brooks will react when our commanding prince wants to claim his child and his bride!
