

Unpinned (Pinned Series Book 2)

Her life was filled with constant loss and upheaval, but Marie Tousant was eager to put it all behind her. She leaves Hapville, Louisiana, hoping to find inner peace on a tropical isle. With Louisiana in her rear view mirror, Marie attempts to create a path to a normal life, but she soon realizes how inconsistent a sense of normalcy can be. Haunted by her past in every conceivable way, Marie recognizes that she can't run from herself. Marie's only ally, Libby Townsend, is thousands of miles away when unsettling emotions surface and a sense of dread takes hold. A welcome surprise eases her worries, but it doesn't last and her world begins to unravel. Evil forces take hold and tighten their grip; Marie and a sinister being summoned by practitioners of the Dark Arts clash. In the face of a heroic battle, Marie Tousant can't help but wonder if there's anyone left willing to protect her, even in the face of death. (Unpinned is the sequel to Thin Skin Soul Pinned)
