

This Old House: A Box of Nail Story (Box of Nails Book 1)

Devon used to be a server at the Hammer Club, the most exclusive BDSM club in town. But that was before he inherited a lot of money from his grandmother and decided to buy a big old house and convert it into apartments for Hammer Club waiters. Its hard to find decent, affordable housing and he wants to do something good for his fellow twinks. Unfortunately the house is in much worse repair than he knew when he bought it and hes slowly drowning under the weight of the demands from both the house, and the boys who live in it. Enter Barney, the contractor Devon calls in for an emergency fix of the buildings pipes. Barneys heard of the Hammer Club, in fact hes saving up for a membership, but its going to take a while on his blue collar salary. He falls for Devon on the spot and can only hope the feeling is mutual. He also wants to make sure none of Devons twink friends are running roughshod over the man, and hes determined to help. Can they work together to find a way to keep Devon, and his old house, afloat? Originally published by Torquere Press.
