

## Above Protection (Imperfect Heroes Book 1)

Hes bearded, angry, highly trained, and has a job to do. Shes the damsel in distress whos smarter than she looks, and doesnt want anyones help. Could it be they both need something neither will admit to? Fate fueled by the laws of attraction may just decide for them. DUKE I didnt ask for this. I was just doing my job, and they have the nerve to put me on a Witness Protection detail? This is crap. Ill do my assignment, then go back to my job and what I love kicking ass and taking names. I hadnt spent 6 years in the Marine Corps to be put on babysitting duty once Id joined the FBI. The witness they assigned me to, Rayanne, is an annoying, brainless blonde with a sassy mouth and a body that belongs on a website you had to pay to access. Not that I noticed or anything. RAYANNE I can look after myself. I dont need anyones help, and the government is being ridiculous for putting me in Protective Custody. Ill testify against my former bosses and then go back to my life as a single girl in the big city. I love my career as a paralegal, and once this Neanderthal theyd assigned to babysit me is out of my life, Ill go back to it. I just wish he wasnt so easy on the eyes. The beard, the hard body, and that voice. Why couldnt they have sent me someone ugly and nice? Because Duke is neither of those things. ABOVE PROTECTION is book 1 in the Imperfect Heroes Series.
