

## Through the Looking-Glass

Charles Lutwidge Dodgson, better known by his pen name Lewis Carroll, was an English writer, mathematician, logician, Anglican deacon, and photographer. His most famous writings are *Alice's Adventures in Wonderland*, its sequel *Through the Looking-Glass*, which includes the poem *Jabberwocky*, and the poem *The Hunting of the Snark*, all examples of the genre of literary nonsense. He is noted for his facility at word play, logic, and fantasy. There are societies in many parts of the world<sup>[4]</sup> dedicated to the enjoyment and promotion of his works and the investigation of his life.
