

Shadow Of The Ripper

Obsessed with the works of Edgar Allan Poe, Jack the Ripper became the name of horror in the late Eighteen hundreds. But were his killings the act of a madman, or did they have a deeper, unknown purpose. A teenage boy, Bobby Crowe, and Detective Kevin Daulton are about to find out as the spirit of Jack the Ripper returns to haunt a small, Ohio town. Can these two mortals unravel the mysteries of death? Or will they, too, fall victim to the Shadow of the Ripper?
