

To Taste Temptation (Legend of the Four Soldiers)

Britain's high society bon ton loves a good scandal, and they're giddy when wealthy Samuel Hartley arrives. Not only is he self-made and American, but he is also notorious for fleeing a battle in which several English gentlemen died. What the bon ton doesn't know is that Samuel is in London because of the massacre to find a traitor. Lady Emeline is captivated by Samuel, partly because he survived the battle that killed her brother. Samuel suspects that the person responsible is Emeline's fiancé, but Emeline refuses to break off her betrothal. Even so, she and Samuel begin a passionate affair. Can their relationship survive the fallout from Samuel's investigation?
