

## Too Hot To Handle

Sarah Nevins is beside herself. Twelve years ago, the love of her life vanished, and she never got over it. Then, out of the blue, Alex Emerson reappears, still as sexy as ever. The heat between them is intense, but Sarahs not sure she wants to walk down that road again, great sex or not. Alex always knew hed see Sarah again. He also knew she wouldnt be happy to see him. But hes going to change her mind about them no matter how long it takes. Giving up was never in the cards, and Alex always gets what he wants. Its going to be a long hot summer.
