

Turning the Tables (Italian Connection)

A sexy category romance from Entangled's Brazen imprint...Shell bare everything...except the truth. Tina Borlenghi is a billionaire businesswoman, heiress to the Borlenghi fortune, and living la dolce vita. She's also a magnet for men who crave fame and celebrity. So while in New York City launching a new fashion boutique, Tina is more than intrigued when sports bar owner Luke Pederson mistakes her for a sales assistant. He's sexier than sin and only interested in her. What's the harm in a little steamy role-playing? Luke can't get enough of Tina. And yet, something feels...off. Why is she so secretive? As their role-playing encounters become more erotic, Luke's suspicions grow. The woman rocking his world is hiding something. Something big. He's ready to play for keeps, but finding out who Tina really is may just turn the tables on everything he thought he knew about love.
