

## Twisted Tales

Twisted Tales is a collection of twenty-seven short horror stories. Ranging from crazed stalkers, killers, dealing with the Devil and everything in between, this collection shows the darker side of human nature in all its black glory. Journey through the twisted minds of the central characters as they make their choices, and watch their lives spiral out of control. Hate them, empathise with them, and stay on your guard. There's a dark streak in all of us just waiting to come out.
