Nobody was there. Nobody had time. We know how it is when the bombs are falling, and something is burning, and somebody dies. Excerpt from Under a Leafless Tree I felt like I was eavesdropping on an exciting and intimate conversation and I didnt want to stop listening! Werner Bell You will feel like you are living Helgas adventures. You will enter her thoughts and gain insights into your own challenges. AJM A wonderfully crafted and engaging narrative! Helga Meyer captivated us with her story. A remarkable life, punctuated with marvelous photographs. Jill Mulvay Derr Former President of the Mormon History Association Professor of History This book is an incredible find. Whats most extraordinary is that she does not dwell on the negative or morose elements of her story. An easy and engrossing read. James Marsh Her story leaves you thinking that maybe goodness and resilience arent quite as rare as we thought, and perhaps were all a little stronger than we know. Anne Woolstenhulme
