

Under the Bridge

Why cant I play footy with you? Michael asked. Because I said so, Jake answered. Oh, who made you boss anyway, Jake? Kyle asked. Stay out of this, Kyle. Jake turned his attention from Michael. Weve got nothing against you. What have you got against him? Hes Chinese, Jake said, as though the answer should have been obvious. So? Chinese dont play football. Life can be tough when youre different and school can be a nightmare. Kyle helps new kid, Michael, see the world through different eyes. Together, they show their class tough kids that its impossible to see whats inside someone when you only look on the surface.
