

Unlikely

Can you honestly say that you know what God's good, pleasing, and perfect will is for your life? If you are like most Christians, you are struggling to learn this truth, or worse, you have yet to even consider the question. Without a doubt, God has a plan for your life. He has given you a specific purpose, a reason for being. The truth is, most Christians view themselves as the most unlikely person to be used by God for any purpose; however, throughout history God has called upon the most unlikely people to carry out His will and purpose. When God's people live according to His plans, the results are truly miraculous. *Unlikely* is packed with scriptural references and practical applications that will show you there is a deeper meaning and a higher calling to this life. Finding your purpose and passion about being a disciple of Christ is the gift that Dr. George Goodman hopes to share with you as you read this insightful and encouraging guide to seeking God's will for your life. Let the journey begin!
