

## Until Death Did Us Part: A Story of Love

Author Marilyn Cash Gooding shares how she felt God at her side every step of the way through her husband's diagnosis of brain cancer, the dying process, the release of the hand of the love of her life into the hand of Jesus, the months of grieving that followed, and her eventual return to wholeness. Marilyn, your new book is so honest and true to life. Many people will identify with its content. You are an anointed and talented writer. It is full of God-given nuggets. Thanks, Marilyn, for being so obedient in writing it and for sharing your pain for your family, friends, and the world to see. Your personal relationship with Jesus is evident. That alone causes people to desire what you have with Him. It is a book that gives people hope. It makes you smile and makes you sad. As I read it, it shows the faithfulness of God. It reveals His love for you and your love for Him and your family. Sharon Van Der Veer, intercessor for the body of Christ from Pella, IA
