

VAMPIRE ROMANCE: The Vamp Team (Romance, Bitten Mating Season Short Story Collection) (Paranormal Vampire Romance)

Emery has wandered the world for centuries, alone but for his team of three fellow ancient vampires. He seeks a mate, a vampire's ultimate goal, and will search to the world's end to find her. The pull of destiny leads him to the tiny mountain town of Stonehurst, where he sees the beautiful Melanie McDowd and knows she is the one he was meant to find. She was the one he was destined to mate with and leave, left to wander alone again...forever. Melanie, a small-time bartender still reeling from a broken engagement, never expected to meet the handsome Emery, let alone be pursued by someone as handsome as him. But when their love grows into something extraordinary, she realizes he is more than he seems. She knows she plays an important role in keeping an eons-old vampire tradition alive, but that same tradition threatens to tear them apart. Their only desire is to remain together forever, but their love could lead to utter disaster. They know they love each other, but at what cost?
