A Standalone Short Story with No Cliffhanger! When Blair catches her boyfriend of four years cheating on her with his secretary (urgh, what a cliché!), she heads out to drown her sorrows. That's where she meets the elusive Mr. Evans. Jason is exploring his new city before his big business take over, when he stumbles across the weeping Blair. What starts off as a night of fun, quickly turns into a steamy night of passion. When Blair heads into work the following morning, still a little hungover and embarrassed by her irrational behavior, she's horrified to be faced with her new boss Jason Evans. How did her one-night stand, turn into a never ending nightmare? And why is she suddenly feeling sick all the time? ++ 25 Special Bonus Stories INCLUDED! ++ When you download this book, you will also get 25 steamy bonus books ABSOLUTELY FREE!
