

## Cuba and Me

He rose. The crowd thundered. He raised his hands. The crowd roared. He said something that was drowned out. The crowd became hysterical. I looked behind me and, for the first time, became frightened. A sea of flesh was stretched over the square, over the pavement, surging over the sidewalk and out and up over the sloping marching grounds. Fidel took a step forward. His right-hand man, Camilo Cienfuegos, was at his side. Right behind him, a huge Cuban flag billowed. Somewhere on the stage, they kept releasing white doves that flapped around. Fidel and Camilo took a step forward. The crowd surged forth, slamming us against the rifles in front of us. The breath was wrenched from me. I felt my knees grow weak... Cuba and Me: Lost in the Eye of a Hurricane tells of the authors life in Cuba and her familys frightening escape, in the pre-dawn hours, under the threat from Castros arrival in Havana. This story of adventure, family, friends, and community is told with fresh clarity, as seen through the eyes of a young girl, about what it was like growing up in pre-Castro Cuba.
