

Murder on the Wheel of Fortune

Cil Duncan is still trying to find herself and the right job. She has a bit of psychic ability that seems as likely to help her or get in her way. Her mother is in denial over Cil's psychic ability and lifestyle and wants her to get married and have kids like her older sister Louise. But the only man in Cil's life right now is Caesar, her very demanding Siamese cat. After her last job fiasco, her best friend Georgie talks her into becoming a Tarot Card reader on the New Jersey Boardwalk. That seems to work for her until she reads her way into a murder. Because she feels partly to blame, Cil feels obligated to get involved, and helps the police solve it more out of her talent for being in the wrong place at the wrong time than any deductive skills or psychic help. And she makes quite an impression on the new Chief of Police but can he handle Cil and a jealous cat?
