

When Lilacs First In The Dooryard Bloomd: The Inevitable Life, Death, and Rebirth of an All-American Dreamboy

THE STORY OF ONE MANS JOURNEY THROUGH A PERSONAL HELL AND HIS SALVATION Despite an emotionally desolate childhood, devastating losses during his youth, and agonizing sorrows that haunt his adulthood HARRY WILLIAMS BELIEVES HE FINALLY HAS IT ALL -- A beautiful, brilliant, enchanting wife. A handsome, smart, adoring son. And more wealth, fame, and power than Harry ever imagined having -- UNTIL AN UNSPEAKABLE HORROR shatters Harrys seemingly perfect world by putting his wife and son in grave danger, forcing Harry to realize he might have to sacrifice one to save the other. AN EPIC TALE OF Betrayal, Vengeance, Hope, Inspiration, Love. A SWEEPING STORY ABOUT People Who Find The Courage To Become Heroes.

** Roguishly handsome, physically imposing, and irresistibly charismatic Harry Williams appears indomitable. But his emotionally lonely upbringing, a catastrophic loss during his youth, the ongoing tragedies that haunt his adulthood cause Harrys heart to constantly leak sadness and make melancholy his constant companion -- compelling Harry to relentlessly drive himself to accumulate fame, success, and wealth to numb the inescapable sorrows that haunt him -- Until he meets Alexandra Campbell who captivates Harry with her dazzling beauty, electrifying intellect, and an irresistible free-spirited way of life. But Harrys storybook love and seemingly perfect existence is destroyed when Alexandras mind is ravaged by a betrayal so evil it causes Harry to commit an act of brutal violence to try and save his wifes sanity and protect their son from insanity. Yet it is Alexandra, despite her savaged life, who saves their son from unending agony with an act of inconceivable heroism. A discovery that forces Harry into

realizing how shallow and self-absorbed his own life has been. Stunned by this inescapable conclusion, Harry wanders in an emotional wilderness, not caring if he dies until he faces what he has become and understands what he was meant to be.

It is then that the rebirth of Harry Williams begins.
