

Get Paid For Your Creativity: 57 Ways To Monetize Your Gifts and Create True Security For Yourself!

We have entered the age of creative self employment. In the new economy people are creating security for themselves. In my experience and that of dozens of entrepreneurs Ive worked with and studied through countless interviews over the years there is a common thread that pretty much all successful entrepreneurs share.#1 Successful entrepreneurs expect to be successful.In the book youre about to read I reveal 57 ways, I call them Keys to Monetize Your Gifts and get on the path to creating True Security For Yourself!There has never been a better time in history to Monetize Your Gifts!Heres Just a LITTLE of What Youll DiscoverBe willing to try things, allow them the space to fail, course correct and try something else. Dont fear failure, its not as bad as you think, and if anything every so called failure only means that youre one step closer to the success you seek (Key #1)99 percent of so call missed opportunities were lost because the person seeking the opportunity failed to ask for it (Key #4)Going for more is easy, actually its playing small thats hard, ask anybody dreading going to work tomorrow morning (Key #7)Adopt a software developers mentality to creating new products, programs and services. Release version 1.0 and continue perfecting your offering based on customer feedback and relaunch version 1.2, 2.0, 3.0 etc, etc (Key #10)Make it a goal to develop a portfolio of income streams. Start by creating a list of all of your favorite topics, passion, subjects of interest, skills and expertise. Remember, whats second nature to you, someone this very minute is searching for a solution to the unique problem you solve and is willing to pay you for it. (Key #30)
